### **Committee Reports**

Marketing/Retention (Mrs.Lee)- Mrs. Lee doesn't have the letters ready yet, will have for next meeting. The slogan for this year is "Telling the Next Generation". This year, t-shirts will be given, instead of the magnetic crosses.

Father Tschakert said that the software program is difficult to work with. Mrs. Lee suggested that maybe Father Tschakert and Mr. Wolles could meet and discuss it.

Curriculum (Mrs. Brown): Mrs. Brown will have LaNessa Hof, Curriculum Director, come in next month to discuss curriculum. LaNessa will give us a Curriculum Review cycle update. Mr. Hansen also visited with Mrs. Weiland, K-12 computer teacher, to find out what her needs are and will be in the future. They determined that the number one priority is the High School Lab. Mr. Hansen is also planning a meeting with Brian Gaspar, Network Administrator.

Security and Safety Assessment Report: Mr. Houska was working on possibly getting some equipment from Citibank, but that may not happen. Father may ask Jerry Rush to see if he would have anything. Mrs. Neill has done a grant proposal to Homeland Security, at the request of Matt Althoff. Right now, there is no coverage in the Middle School, could do something simple there. Father asked if there was a justified need to update all of the security-Mr. Houska doesn't think so. He also said that the price they have received from Dakota Security is a good deal. The EAC will wait to see how the grant with Homeland Security turns out.
